## CAC PICS OF THE MONTH

## CHILDREN'S ACTIVITY CENTER

The Children's Activity Center (CAC) is a great asset for SVCC which allows your kids to enjoy a great atmosphere and numerous activities while you take advantage of what you want to do throughout the rest of the Club.

In order to make the CAC experience the best possible for all involved, your help and cooperation is expected.

## CAC REMINDERS

- Please allow enough time to sign in all kids and inform us of any outstanding issues we should be aware of relative to your child.
- Please DO NOT bring in any sick children (if they have a fever or otherwise are ill, you will be contacted to pick them up).
- Make sure all kids in diapers are "changed" prior to entering and provide additional diapers in their bag.
- Leave "personal" toys or other such items at home.
- You MUST REMAIN on SVCC property (not in the development or elsewhere) to leave your child in the CAC.
- Absolutely NO outside snacks/food will be allowed inside the CAC. Many children have allergies to certain foods (most commonly peanuts). In an effort to minimize the problem, our snacks are limited to Cheerios and Goldfish and we do not allow any food items to be brought into the CAC.
- Sign In/Out: Please remember to sign in your child's FIRST & LAST NAME as well as your SVCC location (fitness, tennis, golf, restaurant, etc.).
- If you DO NOT sign your child/children in, there will be an additional \$5 charge added to your bill (daily and monthly included).
- Non-Member fees are \$7.00 per child for the first two hours and \$3.00 per child for each additional hour.

## CLUBHOUSE

### HOURS OF OPERATION

The Clubhouse will be open at 8:00 AM to 10:00 PM 7 days a week. These times are subject to change when special events, weather, etc. warrant.

See the department sections for specific hours or call 203-0000 x 0.

Check [www.shadowvalleyinfo.com](http://www.shadowvalleyinfo.com) for closing information.

## PAYMENT POLICY

There are two options for purchases at SVCC:

- 1) Utilize the credit card that you registered with SVCC to be kept "on file."
- 2) Present a credit card at the time of transaction.

If you do not have a card on file or would like to add a card, please stop by the Welcome Center.

Please remember it's your responsibility to pick up the children prior to closing time, NOT the SVCC staff.

- Feeding Policies: CAC personnel will only bottle/sippy cup feed infants and toddlers. No solid baby foods.

Please keep in mind the CAC is a service provided for our members. Those who choose not to follow the rules WON'T be allowed to use the service.

## CHEF AARON'S NOTES

We are off to another great year and Valentine's Day is just around the corner. The Overlook will be offering a romantic dining atmosphere for the occasion with a special 3 course menu for \$50 per person available by reservation only. The Lookout Lounge will also be hosting a special tapas evening to get your evening started with drink specials and a selection of complimentary appetizers from 5-7. Be sure to make your reservations as soon as possible to save your place.

The Daddy Daughter Dance is approaching and a great way to show the young ladies in your life how special they are. This year we have 2 special guests with Cinderella and Elsa making an appearance to dance, play games and provide great photo opportunities during the event. This is always an awesome event and a great way to spend time with your little princess. Again, reservations are required as spaces are limited and will fill up quickly.

As stated last month we are streamlining our menus in The Overlook and in the Lookout Lounge and will continue this month and we will be offering some of our specialty bourbons, scotches and whiskeys at discounted prices while supplies last. This is a great opportunity to try some new items if you haven't had the chance. We will also be transitioning a couple of the draft selections by bringing on Three Blind Mice from Mother's Brewery, Blue Moon and rotating some of our other local favorites. We would love to hear any feedback you might have regarding products that you would like us to look into getting in the future.

Beginning in February The Overlook will no longer be offering breakfast on the weekends. Our hours on Saturday and Sunday will be the same as the rest of the week (Open at 11AM, Kitchen closes at 9PM & Everything Closes at 10PM).

To stay up to date, stop by or contact the Welcome Center and add your name to the email distribution list that is sent every morning containing the daily specials and upcoming events.

As always if you have any questions or concerns please feel free to contact me.

## CHEF'S TABLES / EVENTS / MEETINGS / PARTIES

The opportunities are endless...Baby Showers, Bunco Night, Graduation Parties, Rehearsal Dinners, Business Meetings and Meals. You name it, we'll work with you to plan it.

Our various rooms in the Clubhouse have spaces to accommodate groups from 10-180. We look forward to working with you to customize your menu and event décor to meet your expectations at a fraction of the price of other event venues.

## POLICIES, RULES & REGULATIONS

- Although reservations are not required for normal dining, we highly encourage them. It allows us to be prepared for you and offer the best service possible; however, if you are more than 15 minutes late, your reservation will be forfeited so that we may accommodate other patrons.
- Reservation cancellations for any of our special meals or events that require reservations require a 72 hour or otherwise stated notice. Otherwise, you'll be charged 50% of the party's reservation.
- Be mindful of your child's behavior. The Overlook is a casual environment, but it's also a fine dining experience for many.
- Children need to be at a table and supervised by an adult at all times and are not permitted to be roaming around the Clubhouse (inside or out).
- Please allow us to seat you, inside or outside.
- Must be at least 21 to sit at the bar or ENTER the Lookout Lounge.

### EXCITING NEW TECHNOLOGY FROM WILSON

The new Countervail technology has been put into Wilson's two most popular lines of racquets...Blade and Burn series. What is Countervail you ask? It maximizes energy, reduces fatigue & increases shot control. Countervail is the all-new patented material integrated exclusively into Wilson frames that directs the ball's energy within the frame instead of the body. Jordan and I have both hit with these amazing racquets and what we have felt in comparison to our old Blades is the entire string bed feels like the sweet spot, even the outside close to the frame!!! These are the most comfortable, soft feeling racquets I have ever played with. We have the Blade demos available to hit with now and the Burns are now available. Come by the shop today and see what everyone is raving about!

## THE GREEN SIDE OF THE VALLEY WITH JASON

The month of January finally brought some much needed rain, along with some unusually warm temperatures. We have been able to do a lot of work on the course during the winter months due to the warmer temperatures.

We have also been able to move forward on the short game area and should have the practice bunker finished early this month as well as having the green shaped in ready for sand and irrigation. If the weather cooperates we will be able to finish with the green mid-month and hopefully be seeding by the end of the month. The new practice area should allow at least two people to practice their bunker game at the same time. The chipping green will have a two tier platform that will be surrounded by Zoysiagrass in an approach style chipping area.

Other small projects that will be ongoing over the next month will be the raising and leveling of sprinkler heads around the greens complexes. After years of topdressing and thatch accumulation, many of these heads are an inch or more lower than level grade. This causes two major issues; golfers are unable to putt across these sunken areas and this also affects the throw of the water onto the green, causing poor and uneven distribution. The leveling of these heads will provide a smoother surface for players to have the opportunity to chip or putt over the area as well as give us better water coverage.

We have also begun to work on the lighting around the Clubhouse and along the main entrance. There were a lot of bulbs that were burned out as well as electrical boxes that have been damaged or have had water enter the boxes causing them to not work. These repairs will make a much better presentation coming in the entrance as well as the Clubhouse.

We have also acquired a new piece of equipment this month. We now have a heavy duty Toro Workman utility cart to help with all kinds of projects. The heavy duty cart is very versatile in that it can haul big loads of sand, dirt, gravel etc. It is also smooth enough for us to use it in our daily work such as changing cups, hand watering, etc.

Please feel free to stop me on the course or contact me with any questions and please remember to repair divots and fix ballmarks.

## VANDALISM

Help us protect the course. If you see someone acting suspiciously or witness anyone on the course not playing golf, please notify the Golf Shop or the Gatehouse to report such incidents.

We utilize multiple wireless cameras on the Golf Course. Property damage detected by these cameras will be used to prosecute the responsible individual(s) to the fullest extent of the law.

## GOLF COURSE & PATHS

No one is allowed on the Golf Course (including cart paths) unless they have checked in with Golf Shop personnel. If the Golf Shop is closed, so is the Golf Course.

Any unauthorized activity on the Golf Course is not allowed and risks suspension of membership privileges.

Remember, Parents / Legal Guardians are responsible for Minor Children.

## PERSONAL CARTS & VEHICLES

Personal Carts and Vehicles will NOT be allowed behind the Clubhouse or on any cart paths. Personal vehicles may only be driven on the **ASPHALT** portions of the Clubhouse parking lot and are to be parked in the designated cart parking spaces.

Please monitor the drivers as many of you have expressed concerns about the "reckless" driving.

## COMMUNITY CART MAINTENANCE & REMINDERS

**MAINTENANCE** - It's very important that your leased cart is well maintained. Therefore, if you are leasing a cart we **REQUIRE** that you bring your cart in for monthly service. We will check the battery water level, check the tire air pressure and clean the cart. Your cart should be ready for pick up within 24 hours.

### **DON'T BREAK YOUR LEASE AND LOSE YOUR CART!!!**

You are in violation of your lease if you are:

- Strapping kids in the bagwell.
- Allowing anyone not in your household to drive the cart.
- Stopping at a house during a round to get food or beverages.
- Letting kids without a driver's license (not a permit) drive the cart.
- Driving anywhere on the course without first checking in at the Golf Shop **PRIOR** to playing (and yes that includes at night).

If you have any questions about Community Carts, please contact the Golf Shop.

## FROST DELAYS

In our area of the country, golfers occasionally face frost delays in the winter, thus pushing back starting tee times. When frost is present golf course superintendents delay play until the frost has melted. This is done to prevent damage that affects the quality of the playing surface. Bottom line...check with the Golf Shop before you play!!!

Shadow Valley Juniors had a very successful season last year and we look forward to building on our momentum. PGA Junior League Golf is a fun, social and inclusive opportunity for boys and girls, ages 6 to 13, to enjoy the game of golf. Like other recreational youth sports, participants wear numbered jerseys and play on teams with friends.

Players compete under the direction of a PGA & LPGA Professional Captains in a popular two-person scramble format which reinforces the team concept and creates a nurturing environment for learning the game.

All Shadow Valley Golfers,

Retail Integrity Group will be hosting our annual Men's Golf Association (MGA) of Shadow Valley kickoff meeting on Thursday, March 2nd, at 6:30pm, in the SV Prestwick room.

The Shadow Valley Men's Golf Association (SVMGA) is open to ALL male golf members of Shadow Valley, at least 18 years of age and who participate in the Club's handicap system.

There are two main purposes of the SVMGA:

- 1) To provide and encourage social interaction for the members of the SVMGA
- 2) To promote and protect the integrity of the game of golf at Shadow Valley

The 2017 activities of the SVMGA center around the Monday Night League as well as several additional golf and social events throughout the year. The goal is to provide a positive return on investment for the members and to promote golf, fun and camaraderie.

With the help and support of all of our sponsors the SVMGA will have another fantastic and fun season on and off the course.

We look forward to seeing all of you on March 2nd and we want to thank Mike Bynoe at Retail Integrity Group for their sponsorship of the 2017 MGA Kickoff Party!

Sincerely,  
 2017 SVMGA Board Members
